Subpart 4.14—Reporting Executive Compensation and First-Tier Subcontract Awards

SOURCE: 75 FR 39419, July 8, 2010, unless otherwise noted.

4.1400 Scope of subpart.

This subpart implements section 2 of the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), as amended by section 6202 of the Government Funding Transparency Act of 2008 (Pub. L. 110-252), which requires contractors to report subcontract award data and the total compensation of the five most highly com-

pensated executives of the contractor and subcontractor. The public may view first-tier subcontract award data at <http://usaspending.gov>.

4.1401 Applicability.

(a) This subpart applies to all contracts with a value of \$25,000 or more. Nothing in this subpart requires the disclosure of classified information.

(b) Reporting of subcontract information will be limited to the first-tier subcontractor.

[77 FR 44058, July 26, 2012]

4.1402 Procedures.

(a) Agencies shall ensure that contractors comply with the reporting requirements of 52.204-10, Reporting Executive Compensation and First-Tier Subcontract Awards. Agencies shall review contractor reports on a quarterly basis to ensure the information is consistent with contract information. The agency is not required to address data for which the agency would not normally have supporting information, such as the compensation information required of contractors and first-tier subcontractors. However, the agency shall inform the contractor of any inconsistencies with the contract information and require that the contractor correct the report, or provide a reasonable explanation as to why it believes the information is correct. Agencies may review the reports at <http://www.fsrs.gov>.

(b) When contracting officers report the contract action to the Federal Procurement Data System (FPDS) in accordance with FAR subpart 4.6, certain data will then pre-populate from FPDS, to assist contractors in completing and submitting their reports. If data originating from FPDS is found by the contractor to be in error when the contractor completes the subcontract report, the contractor should notify the Government contracting officer, who is responsible for correcting the data in FPDS. Contracts reported using the generic DUNS number allowed at FAR 4.605(b)(2) will interfere with the contractor's ability to comply with this reporting requirement, because the data will not pre-populate from FPDS.

4.1502

(c) If the contractor fails to comply with the reporting requirements, the contracting officer shall exercise appropriate contractual remedies. In addition, the contracting officer shall make the contractor's failure to comply with the reporting requirements a part of the contractor's performance information under Subpart 42.15.

(d) There is a reporting exception in 52.204-10(g) for contractors and subcontractors who had gross income in the previous tax year under \$300,000.

Subpart 4.15—American Recovery and Reinvestment Act—Reporting Requirements

SOURCE: 74 FR 14644, Mar. 31, 2009, unless otherwise noted.

4.1500 Scope of subpart.

This subpart implements section 1512(c) of Division A of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) (Recovery Act), which requires, as a condition of receipt of funds, quarterly reporting on the use of funds. The subpart also implements the data elements of the Federal Funding Accountability and Transparency Act of 2006, as amended (Pub. L. 109-282). Contractors that receive awards (or modifications to existing awards) funded, in whole or in part by the Recovery Act, must report information including, but not limited to—

(a) The dollar amount of contractor invoices;

(b) The supplies delivered and services performed;

(c) An assessment of the completion status of the work;

(d) An estimate of the number of jobs created and the number of jobs retained as a result of the Recovery Act funds;

(e) Names and total compensation of each of the five most highly compensated officers for the calendar year in which the contract is awarded; and

(f) Specific information on first-tier subcontractors.

4.1501 Procedures.

(a) In any contract action funded in whole or in part by the Recovery Act, the contracting officer shall indicate that the contract action is being made under the Recovery Act, and indicate which products or services are funded under the Recovery Act. This requirement applies whenever Recovery Act funds are used, regardless of the contract instrument.

(b) To maximize transparency of Recovery Act funds that must be reported by the contractor, the contracting officer shall structure contract awards to allow for separately tracking Recovery Act funds. For example, the contracting officer may consider awarding dedicated separate contracts when using Recovery Act funds or establishing contract line item number (CLIN) structures to mitigate commingling of Recovery funds with other funds.

(c) Contracting officers shall ensure that the contractor complies with the reporting requirements of 52.204-11, American Recovery and Reinvestment Act—Reporting Requirements. If the contractor fails to comply with the reporting requirements, the contracting officer shall exercise appropriate contractual remedies.

(d) The contracting officer shall make the contractor's failure to comply with the reporting requirements a part of the contractor's performance information under Subpart 42.15.

4.1502 Contract clause.
